

For any questions on this program not related to TELUS claim submission, please contact the OneTouch Customer Care Line at **1-855-293-5082**.

Sincerely,

TELUS & LifeScan

Important Details

Your new e-Reimbursement for OneTouch Blood Glucose Meters

Instructions:

E-Reimbursement uses your current pharmacy software to adjudicate OneTouch Meter claims.

If available, upload the LifeScan vendor information and meter Pseudo DINs from your pharmacy software vendor.

If not available, simply enter the following information into your pharmacy software for each meter claim:

- 1) **Carrier #: 80**
- 2) **Group #: 600000**
- 3) **Client ID:** Meter serial # as it appears on the OneTouch meter box SN: XXXXXXXX (8 or 9 alphanumeric characters)
- 4) **Issue #: 01**
- 5) **Drug Cost:** Enter the "Total Cost" according to the table below (includes \$15.00 training fee)
- 6) **Do not fill in professional fee, dispensing fee or markup fields.** Please leave these fields blank.

Lifescan Meter	Pseudo-DIN	Total Cost (includes training fee)
OneTouch® UltraMini®	990941	\$49.99
OneTouch® Ultra®2	990942	\$54.99
OneTouch® UltraSmart®	990943	\$74.99
OneTouch® Verio®IQ	990944	\$54.99
